To Whom it May Concern:

The purpose of the MCC DRB is to contribute to MCC's accountability and learning objectives through data disclosure activities, facilitating MCC's observance of the general principles of the Federal Policy for the Protection of Human Subjects, or "Common Rule". In line with its standard approval process, we are pleased to present this public access data package for general use.

Tanzania Transportation Sector was cleared by the Data Review Board on February 4th, 2021. Due to the large package of this data package, please contact mccopenmicrodata@mcc.gov and DavidsonLE@mcc.gov to arrange a data transfer. Please allow up to one week for a response.

Kind Regards,

MCC Data Review Board
